

MASTER OF ARTS IN THEOLOGY

PROGRAM GUIDE

IUDI's Master of Arts (MA) in Theology degree program imparts a deep understanding of Christian theology, scripture, and ministry practices, all through a lens of personal and community transformation. The program explores the rich theological traditions of Christianity from an Evangelical perspective. With a focus on both academic rigor and practical application, learners will develop a comprehensive understanding of biblical texts, Christian history, and systematic theology, preparing them to serve as informed leaders in Christian communities. Graduates of the MA in Theology will be well-equipped to lead, teach, and serve in a variety of ministerial contexts.

Our Educational Model: Flexibility and Empowerment

At IUDI, our fully online, asynchronous model allows you to study at your own pace from anywhere. With no fixed schedules or enrollment deadlines, you can start at any time and balance your studies with your personal, family, and professional responsibilities.

A Curriculum Designed for Leaders and Practitioners

Our learner-centered model empowers students to become transformational leaders and effective practitioners. We use a guided independent-learning approach within a flipped-classroom framework: students take responsibility for their own study under the guidance of faculty mentors rather than through traditional lectures. Interactive coursework, case studies, and applied projects develop critical thinking, theological depth, and servant leadership for real-world impact.

Modular Learning for Seamless Progression

The curriculum is organized into modules that build specific competencies. Students may begin with any course in a module; completing all courses unlocks the next module. Tuition is paid one module at a time, providing flexibility and financial control.

Moodle: Our Digital Campus

Moodle is IUDI's online learning platform and serves as your central hub for accessing course materials, participating in discussions, submitting assignments, and tracking your progress.

Our Accreditation

IUDI is accredited by the Association of Independent Christian Colleges and Seminaries (AICCS) in the United States. Its Theology programs are also accredited by the Conseil des Initiatives Théologiques en Afrique (CITAF).
